

2018 SPONSORSHIP PACKAGES

Stars & Stripes and Bean Hole Days are premiere events that draw visitors to our community and provide entertainment and fun for our residents.

Activities for Stars & Stripes Days include live music, food and craft vendors, games for adults and kids, the popular Stars & Stripes parade and a spectacular fireworks display.

Bean Hole Days offers live music, games for adults and kids and bowls and bowls of baked beans! This year's community picnic will be enhanced to recognize volunteers and others in the community that make this a special place to live, work and play!

We would be unable to bring these events to our community without the generous support of the businesses. Please consider sponsoring these events and we'll make sure the crowds descending on Pequot Lakes know you did your part!
